

**SB-1000
SUBWOOFER**

SB-1000 – AMAZING SOUND QUALITY, VERY COMPACT SIZE, UNBEATABLE VALUE

The SB-1000 is our smallest sealed cabinet subwoofer, measuring only 13" on all sides! But with quality components like a long-stroke 12" driver and a powerful 300W Sledge DSP amplifier, the SB-1000 is big on sound quality and performance. With an attractive premium black ash finish, this diminutive subwoofer will look great in any system. The SB-1000 is an outstanding value, and the perfect choice for budget-conscious customers desiring superb sound quality, very compact size, and easy integration into any décor.

- » Weight: 27 pounds

SUPERB SOUND QUALITY, VERY COMPACT CABINET - ONLY FROM SVS

Only SVS has the experience to produce such superb sound quality from a very small cabinet. The key to this amazing performance is our long-stroke 12" woofer, working in perfect unison with our exclusive and sophisticated Sledge 300W DSP Class D amplifier. The result is accurate, tight, clean bass with outstanding transient response and exemplary behavior at the limits.

SVS 12" HIGH OUTPUT WOOFER

- » FEA-optimized motor technology for low distortion.
- » Long-throw voice coil and suspension for high output at deep frequencies.
- » Rubber surround for durability and long-life.

SLEDGE AMPLIFICATION – INTELLIGENT AND SOPHISTICATED POWER

- » 300 watts of efficient, Class D power with 'green' (<0.5 watts consumption) standby mode.
- » DSP control for accurate response and refined behavior under all operating conditions.
- » Stereo line-level RCA Input & 80Hz High Pass Filtered Output connections.
- » Stereo speaker level 5-way binding post input connections.
- » Continuously variable low pass filter frequency with disable/LFE setting.
- » Continuously variable volume and phase controls.

"If you are looking for a subwoofer that provides a good balance of power output, low frequency response, installation convenience and price definitely give the SB-1000 consideration...with its easy-to-hide compact size, this subwoofer can make a great addition to your system..."
